Angela – As we discussed, to assist in your review of the Revised Phase III RAP, we created the attached crosswalk. It lists the individual comments that MassDEP provided in the February 7, 2017 letter, *Written Determination Regarding Phase III Remedial Action Plan*, and provides a reference to the location(s) within the Revised Phase III that is responsive to that comment.

Let me know if there is anything else you need as you go through the document. I will see you Wednesday (the 12th) for the annual cap inspection, and I will be away the 14th, but I would be happy to resume our weekly Friday morning check-in calls on Friday July 21st if you so desire.

Thanks,

Marilyn
